

P. 45(c)(1). “On timely motion, the issuing court must quash or modify a subpoena that fails to allow a reasonable time to comply ... or subjects a person to undue burden.”

Fed. R. Civ. P. 45(c)(3). At first glance, the subpoena in this case appears to request the production of an extraordinarily-broad scope of documents, the production of which would subject Mr. Gumbart and the Atlantic Sun Conference, an entity of limited resources and personnel, to considerable expense. Although the Court is not prepared to quash the subpoena in its entirety at this time, Mr. Gumbart is relieved from the obligation of producing the requested documents by August 26, 2011. The Court sets a hearing on the Motion to Quash for September 30, 2011 at 10:00 am.

**SO ORDERED**, this 26th day of August, 2011.
